

CAMPING CHECKLIST

The items listed below are suggestions specifically for camping and in addition to general items you may need to pack which can be found on the **What to Pack** checklist. Items you need to pack will also depend on weather, location and length of the trip.

Consult your doctor regarding any immunizations or medications you may need.

The lists below are intended as a general **guide only** but actual items should be packed according to specific needs, mode of travel, destination, climate, etc. If you are flying, check on the luggage weight allowances for your airline as they do vary and hefty charges can be incurred if you go over the maximum per bag.

Note: Please also be aware that most airlines will not allow you to go over the weight allowance per bag/suitcase because you have packed for two people in one case! You could be subject to additional charges.

See separate travel categories/links for: **Backpacking Checklist, Summer Holiday Checklist, Motoring Holiday Checklist, Winter Holiday Checklist.**

IMPORTANT: Remember to check your airline's current policies, especially relating to carry-on luggage, as their allowances may change.
